**Special Registration window for  
MHT CET (PCM/PCB) CET  
Examination  
(A.Y. 2026-27)**

The State Common Entrance Test Cell, Mumbai, is conducting the Online Common Entrance Tests (CET) for Engineering, Pharmacy, and Agriculture for the 2026–27 academic year.

While the regular registration period has ended, many candidates reported incomplete applications due to non-payment of fees. In response to these requests, the State CET Cell will reopen the registration portal for a single day on 23 April 2026. This will allow candidates to complete their registration and application for the second attempt, subject to an additional late fee of ₹500/- for all categories.

**Important Instructions:**

- During this period, candidates can register for second attempt if they have missed the initial registration window.
- Candidates already registered for both attempts do not need to register again.
- Candidates who have not yet generated their APAAR ID are required to create one through Digi Locker.
- Please note that no edit facility will be available for candidates registering during this extension period. Ensure all entered information is correct before submission.
- Candidates are advised to regularly visit the official website for further updates, detailed schedules, and examination instructions.
